

**The scarlet Apple**  
**Horse Trials**  
**September 5, 2022**

## Special Notes And Instructions:

1. Ride Times and Results can be found [here!](#)

Please remember your times are not official until Saturday 6pm, so be like Santa and “check it twice!” . The times sheet is ACTIVE and may change as we handle last minute changes.

Results can be found on a tab at the bottom and will be imputed throughout the day as long as the secretaries phone doesn't die.

2. Please tune into the delightful announcer as she will be alerting you if we are ahead or behind for ride times.
3. Courses are open and available for walking on Sunday from 3-6 pm. You may walk SJ during the day in between divisions. There is a tentative schedule on the next page for SJ. XC can be walked throughout the day, just please yield to all horses. XC maps are located at the start box and a stadium map will be available Sunday at the in-gate.
4. Please visit the our food booths. We had to search the far corners of the Earth for these guys and we want to make sure their day is worth it! Their menu is posted in this program.
5. The Scarlet Apple runs following USEA rules. No coaching is allowed until the rider has been eliminated, then we welcome coaches helping their rider to get through the finish line! Organizers will make all final decisions concerning allowing eliminated riders continue onto XC.
6. All riders participating in the 3-phase competition will need a pinney holder for our paper numbers for XC. We do have a few for rent or purchase. 2-Phase competitors need only their bridle number.
7. All trailers leaving Scarlet Hill MUST TURN RIGHT out of driveway! You can turn around in town.
